

HOST-A-DRIVE!

Host-A-Drive to Support the Greater Washington Urban League's
8th Annual Health & Wellness Back 2 School Festival!

Host a school supply drive to support the Greater Washington Urban League's 8th Annual Health & Wellness Back 2 School Festival, which will be held virtually for the first time ever! Your organization's support will show children in our community that you are invested in their educational success. According to years of research kids with access to school supplies are more engaged and have an increased likelihood of pursuing higher education. Access to school supplies creates a more equitable classroom and reduces the burden on underpaid teachers. Host - A - Drive and help our students start the school year off right! Students and families will reserve their backpack full of school supplies and healthy snacks on-line and pick them up at our drive-thru parade.
