**It's Almost Time to Reunite in D.C.! We're Back in person!  
Reunited. Reimagined. Reconnected.**

The countdown to the 2022 National Urban League Conference is winding down! We are extremely excited to welcome all attendees, participants, and partners for an action-packed, inspiring, and powerful four days in Washington, D.C. Use this quick guide as you pack and prepare for an unforgettable experience.

### **COVID Protocols: Keeping You Safe During Conference**

The National Urban League Conference is back LIVE and in-person for the first time in almost three years, and as always, your health and safety are our top priority. **We've put safety protocols in place to make Conference an enjoyable experience by keeping you healthy as we reconnect.**

**To ensure we can gather safely, we are implementing the following COVID Protocols:**

- All Conference attendees **MUST** be fully vaccinated.  
*The CDC considers individuals fully vaccinated "two weeks after their second dose in a two-dose series, such as Pfizer-BioNTech and Moderna vaccines, or two weeks after the single dose J&J/Janssen vaccine." Fully vaccinated does not include booster shots.*
- Every attendee will be required to upload a negative PCR or Rapid Antigen test result taken within 72 hours prior to your arrival to the Conference
- We partnered with the CLEAR mobile app to help you provide easy, secure digital proof of vaccination through Health Pass by **CLEAR**.

- Every attendee will be required to upload **PROOF OF VACCINATION** to the **CLEAR** mobile app. Complete your health screening with Health Pass by **CLEAR** ahead of time for expedited check-in and entry! Download and enroll here: [Clear App](#)
- Once your vaccination record has been uploaded to the platform, it can typically take up to 30 minutes for your status to be verified. We encourage all attendees to complete this process at least 24 hours before arrival at the conference.
- Attendees must also upload proof of a negative PCR test to the Clear Health Pass app (**Only** lab-verified results will be accepted by the Clear app; self-administered or home test results will not be accepted).
- When scheduling a test, the attendee is responsible for confirming with their test provider that results will be received within the 72-hour time frame.
- Every attendee will be required to complete a health questionnaire each day of the Conference.
- Masks are optional but strongly encouraged.
